Short Version Form

Custom Portrait Description

Describe the custom portrait you want us to create. Please include the setting/background, wardrobe, style, mood, pose, lighting, and any special details you want included or avoided.

Example:

“Create a luxury executive portrait in a modern glass office with a city skyline view. I want to wear a navy tailored suit, white shirt, and silver watch. The image should feel confident, polished, high-end, and cinematic. Use professional studio lighting, a serious expression, and a half-body pose facing the camera.”
